

Custom Built WINDOW & DOOR SYSTEMS, INC.

Manufacturer's Certification Statement

2009 / 2010 Energy Tax Credits – American Recovery and Reinvestment Act of 2009

Custom Built Window & Door Systems, Inc., is a manufacturer of Steel and Fiberglass Entry Door systems. Custom Built Entry Door systems are Eligible Building Envelope Components that may qualify for the federal income tax credit allowed under the Internal Revenue Code, Section 25C. Please check the table on pages 2 and 3 denoting which configurations qualify for federal tax credits as outlined in the American Recovery and Reinvestment Act of 2009.

For installations prior to June 1, 2009, the product must achieve a U-Value of 0.35 or lower. For installations starting June 1, 2009 and forward, the products must meet a U-Value and Solar Heat Gain Coefficient of less than or equal to 0.30.

I declare that I have examined this Certification Statement, and to the best of my belief and knowledge, the facts are true and complete.

A handwritten signature in blue ink that reads "John E. Gardner, III".

John E. Gardner, III
Vice President
Custom Built Window & Door Systems, Inc.
80 Meadow Street
Warwick, RI 0286

This certificate should be retained with your tax records, however it is not required to be submitted with your tax returns. Specific information with regards to the tax credits can be found at energystar.gov and irs.gov.

DISCLAIMER

Custom Built Window & Door Systems, Inc. is not a tax advisor. Tax payers looking to claim the tax credits should consult a tax professional with any questions. Custom Built is not responsible or liable for the tax payer's ability to receive the tax credits.
